Costa del Sol - Nerja

The School

Quorum gives you, the student, an ideal location from where to base your studies, blending perfectly our extensive language teaching experience with the warm character of the Andalusians and the enviable climate of the Costa del Sol.

Established in 1999, Centro de Idiomas Quorum is an Accredited Centre by the Instituto Cervantes, and has received the CEELE Quality Certificate.

We are members of the most important language teaching associations in Spain and Europe, including AEEA, FEDELE and ELITE, and are also recognized by CSN Sweden and Bildungsurlaub.

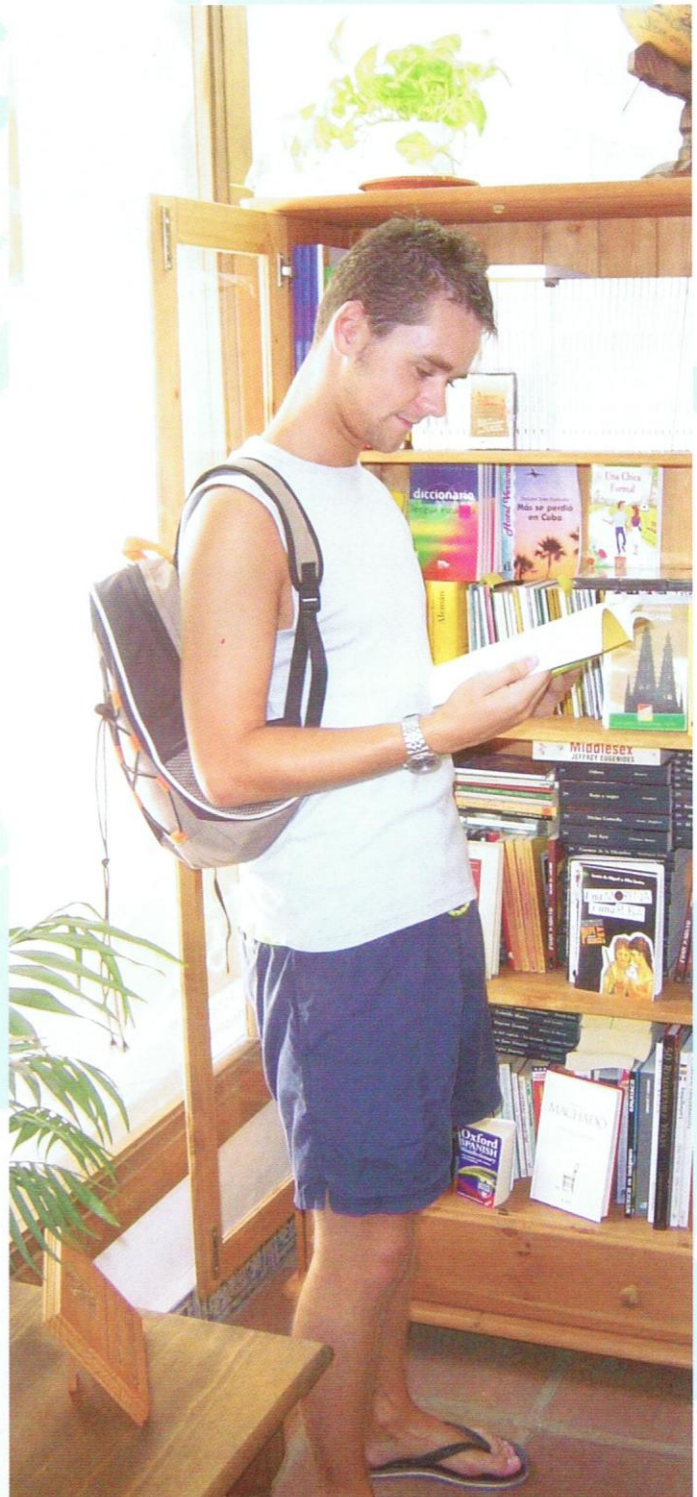

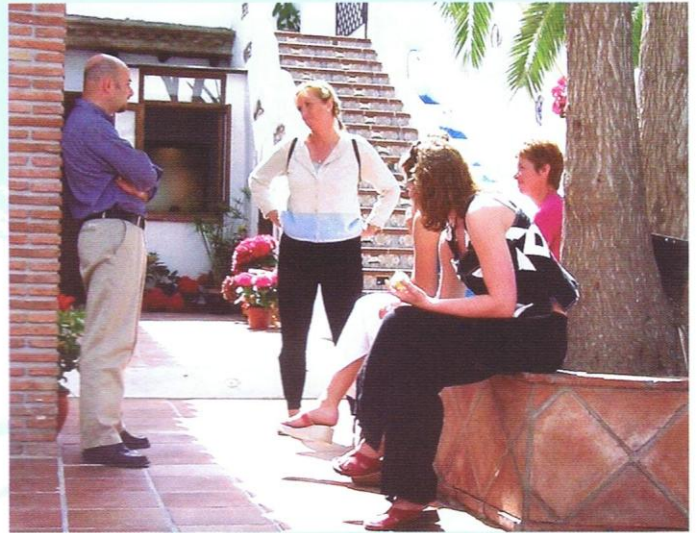

The school is situated in the centre of Nerja, in a typically Andalusian atmosphere, only five minutes from the beach.

The school is set in an original Andalusian house with a patio where you can enjoy classes and make friends. The classrooms are fully equipped with teaching and audio-visual aids, and have the benefit of natural light.

Quorum has a study room, bookshop, library, and cafeteria, as well as a telephone, fax and the Internet available to you.

All our teachers are Philologists, qualified to teach Spanish as a foreign language. They are constantly preparing and updating teaching methods and materials, so that you maximize your learning.

Methodology

Our teaching method is communicative, and the principal objective is to develop your skills through total immersion in the Spanish life. In class, we emphasize listening and speaking skills so that you learn to use Spanish with confidence in everyday situations.

Nerja

Nerja is a cosmopolitan town in the south of Spain, which has retained a strong Andalusian character. Its appearance and climate make Nerja one of the most attractive spots on the Costa del Sol. The area has a diverse social life, including fiestas, exhibitions, sports, concerts and theatrical shows. With a population of around 20,000, it is known worldwide for its open welcome to visitors.

Nerja has 16 km (10 miles) of coastline and over 3,500 hours of sunshine annually, with temperatures of around 30° C (85 F) in summer, and more than 15° C (60 F) in winter. Malaga's International Airport is 55 km away and easily accessible from Nerja.

Accommodation

Enjoy your holidays in our lodgings, located in the old part of Nerja, a quiet area a few metres from the beaches, restaurants and the "Balcon de Europa".
